

Lobster Made Easy

Listing URL: <https://exploremahonebay.ca/map/food-dining/lobster-made-easy>

We want to introduce you to a revolutionary method of preparing lobster that allows you to pick it up from your favourite grocer's freezer and take home to enjoy or store in your freezer to be enjoyed later. Whenever you desire, you can simply remove it from the freezer and microwave on high for less than 6 minutes, in fact, less time than it takes to heat a can of soup!
