

Buchanans House of Music

Listing URL: <https://exploremahonebay.ca/map/shopping/buchanans-music>

Music store, repair shop, and teaching school

Buchanans isn't just a shop. It's a living room. A 6-year-old burst through the door with a ukulele on his back. A 55-year-old plays Chopin on the old standup piano, and someone's got a fiddle, too. In the seaside town of Mahone Bay, people come to The Music House to practice, light sparks of imagination and enjoy our community.

Come to the bay for a walk or a coffee, for yarn from the knitting shop or syrup from the berry farm. Spot some pirates and try out that mandolin you've been eyeing. You'll see kids walking here after school, and parents relaxing in our cozy space.

We sell and rent musical instruments and gear of all kinds, and we teach young and old alike. We even lend the talents of our circle to special events and celebrations. We'd love to see you at the house. Stop by and bang a drum, won't you?
